Yeldon Wedding Hire

Based in St.Ives, Yeldon Wedding Hire is one of the very few companies that can offer matching silver Rolls Royce and Mercedes motorcars to provide bride and bridesmaids the very best of luxury Wedding Day transport. It was in 1986, the proprietor, Richard Yeldon, chauffeured his first bride, and her escort, to the church. Since then Yeldon Wedding Hire has built an enviable reputation for attentive, personal service.

It is not enough to wear a uniform, hold the door open and drive the car from A to B. We pride ourselves in the important contribution that we can make to the bride's big day.

Getting a beautiful bridal gown into and out of the car so that it arrives at the church the way that the dressmaker intended is a skilled task. We also find that a friendly word helps the bride to arrive just a little more relaxed. But we find that we are called upon to help out in all kinds of ways at the last minute. We have been asked to help the Bride's Dad to put on his cravat, advise on wedding etiquette, run back to the church to fetch handbags, keys and cameras and even pose with the bride and groom for the photographer. These things we take in our stride because we know how much tension can be relieved when even small problems can be made to go away.

Yeldon Wedding Hire have a 1960 Rolls Royce Silver Cloud, a 2007 Mercedes S Class and an 8 seater minibus. The cars are tastefully dressed with white ribbons although customized decoration is available by special arrangement. The chauffeurs appear smart in their dark blue uniforms and are equipped, should the weather not enter into the spirit of the occasion, with large white umbrellas to keep their charges dry.

The cars are booked mostly for weddings in the St.Ives, Huntingdon and St.Neots areas but a rate can be worked out for any distance, within reason, and transportation from reception to Wedding Hotel can be arranged.

Early booking is always advisable, particularly if you wish to really arrive in style and commission two cars, one for the bridesmaid and Mum and the other for Bride and Dad. Alternatively, as long as the distance to the church is not too great, Yeldon Wedding Hire will be pleased to arrange for one car to make two trips so that none of the key people need miss out on that unique Rolls Royce experience.

If you have set a date, or are still thinking about it, call Sally or Richard for a quotation, without obligation, on St.Ives (01480) 466268
